STATINTL NOTE TO PLC:

23 MAY  
1975

I called [ ] LA [ ] and he is checking on whether Al Tarabochia can use the photos we gave him on [ ] and [ ] (I think that was their names) in a staff study. [ ] will call us back.

STATINTL

I finally tracked down who you talked to on the photo of McGovern/Castro and possible DGI rep. It was [ ] DD( office. He said he may have not gotten back to you, but after checking with the desk they find it impossible to identify the woman in the picture without more than a first name. (Even with the good picture they don't keep mug books.)

We should get back to Al on this one.
